**ORDER**

**ROBERT W. LEHRBURGER, United States Magistrate Judge.**

On July 5, 2023, the Court agreed to schedule two settlement conferences – one involving PepsiCo/Gatorade’s potential role as signatory to a settlement agreement, and the other involving the Delay Claimants and Delay Defendants. (Dkt. 895 at 2.) On July 19, 2023, in response to the Court’s request, the Freehill firm provided lists of recommended participants for each of the two settlement conferences. The Court proceeded to solicit dates from the recommended parties for the settlement conferences. Since then, however, various parties have written to the Court asking to be relieved from participating in the conferences, indicating that their participation is either not relevant or not necessary. Accordingly, the parties shall meet and confer, and by August 7, 2023, shall jointly file a letter with a definitive list of which parties/law firms will participate in each of the two settlement conferences. If there is any disagreement, the parties shall so indicate in the letter and explain the bases for their positions.

SO ORDERED.

A handwritten signature in black ink, appearing to read 'R. Lehrburger', with a long horizontal stroke extending to the right.
